

1) **Camp No.- 23 Dated - 24.08.2014**

2) **DETAILS OF VENUE**

Village- Dandeimara, Sanch - Mahaveerroad, Anchal -Angul, Bhag – East Odisha, Sambhag – East Odisha

3) **HIGHLIGHTS-**

The Village Dandeimara is a small village of Poor and Tribal people in the Hilly part of the Kankadahada Block where most of the people depend on forest for their earning as well as livelihood. The villagers of the 30 villages had gathered to participate in the Health Awareness Camp and learn how to practise it in day to day life. The students from the villages had also come to follow the tips of Healthy Life Style.

4) **INAUGURATION-**

The Inauguration was done in the school campus of Dandeimara School by traditionally lighting lamp before Maa Saraswati by Dr. Sushrima Panigrahi which was followed by group chanting of Gayatree Mantra and Prayer.

5) **PRESENTATION TO PARTICIPANT**

The Introductory address was delivered by Mr. Mukundadev Sahu, Angul Anchal Arogya Yojana Pramukh. He described the Arogya Yojana of Ekal Abhiyan and its planning of sanitation. He said that every household should have waste pit for the degradable waste. Every hand pump in the village and drainage in the house should end in Soak Pit. This was followed by theme of Health Awareness Camp .i.e Diarrhoea, Malaria, Personal hygiene described by Dr. Sudhakar Pal of Angul. He said that sanitation in the village is the best prevention for these diseases as collection of water in ditches and open air defecation is the breeding place for diseases germs. 2nd theme of Health Awareness Camp was nutrition and food for prevention of diseases. It was described to the villagers that green leafy vegetables and proteins are the essential part of diet.
