

Medical Camp Report

1) Camp No. 3 Dt. 16.06.2013

2) **DETAILS OF VENUE:**

Village: Sneha, District- Lohardaga, State – Jharkhand

Sanch: Sneha, Aanchal-Lohardaga, Bhag- Dakshin Jharkhand, Sambhag – Ranchi.

3) **HIGHLIGHTS:**

This camp was organized to resolve the dental problems faced by the villagers. Doctors specialising in providing treatment of disease related to teeth from Ranchi and Ramgarh visited the villages for providing treatment in various diseases like gum bleeding, cavities, etc. faced by the villagers.

4) **INAGURATION:**

The camp was inaugurated by the lighting of lamp by the local Sarpanch before *Maa Saraswathi*.

5) **PRESENTATION TO PARTICIPANT:**

Dr Ruchir Agarwal explained in *local language*, the structure of teeth and dental practice like brushing to be followed after every meal, etc. to ensure that teeth lasts till the end of one's life. He advised that the teeth should be brushed at least twice a day that is at night and morning. Brushing the teeth in the night is most important than the same in the morning.

He advised to take food rich in Vitamin C and calcium. Specially children and mothers should take citrus fruits like lemon, Amla oranges and green leafy vegetable along with milk. Cold drinks are no. 1 enemy of teeth. Mouth should be cleansed with water every time after anything is taken into mouth especially after chocolate sweets, tea, milk, fruits and coffee. He also demonstrated how the teeth should be brushed properly.

He also advised the importance of healthy teeth to maintain a healthy body.
