Sanch - Gola	Anchal – Ramgarh	Bhag-Ranchi	Sambhag-Jharkhand

3. HIGHLIGHT AND INAUGURATION

The camp was inaugurated by Gram Pramukh Smt. Meena Devi by lighting lamp before Maa Sarswati. She was accompanied by Dr. Udayshankar Srivastav, member Ramgarh Samiti of AFI, and Shri Rajnath Mahto, CTO-Arogya and Sri Bir Kunwar Singh, KCSK Pramukh. It was followed by recitation of OM by Mahila Samiti.

4. PRESENTATION TO PARTICIPANT

Dr. Udayshankar Srivastav delivered the speech of awareness before the villagers. He said that I don't want you to visit me as a patient because if you follow my advice you will rarely fall ill. Three things should be followed in your daily routine. First you should follow the rules of personal hygiene and sanitation. Cleanliness of body and safe disposal of waste water and solid waste are equally important. Second open air defecation should be stopped immediately and every house and school should have toilet of its own. This is essential because waterborne diseases like diarrhea, jaundice, typhoid and cholera are caused by this means only. Third, daily meals should consist of green leafy vegetables and proteins in sufficient quantity. This will prevent anemia.

Smt. Mina Devi, Gram Pramukh, advised the women of the village to keep silence and stand in a que so that the doctor may examine the patients properly. She thanked the doctor for taking pains and coming to such remote village.
